VOLUME: 4, ISSUE: 7 (JULY- 2017)

## CONTENTS

| S.No | Articles  | Page No |
|------|---|---------|
| 1    | Isolation and identification of spoilage causing microorganisms in an Indian mackerel fish ( <i>Rastrelliger kanagurta</i> )<br>T. Srinivasan and P. Saranraj   | 1-7     |
| 2    | Biodegradation of LDPE with Mixed Consortium in presence of Super Paramagnetic Iron Oxide Nanoparticle (SPION) as the Enhancer for Biodegradation by Accelerating Growth Profiling of Microbes<br>Krishna Murari Patel, Dr.Archana Tiwari and Dr. Mahavir Yadav | 8-21    |
| 3    | Influence of some environmental factors on the abundance of adult mosquito species in a salt pan area near Ennore creek, Chennai.<br>Yousuf Khan A and S.John William   | 22-26   |
| 4    | Effect of Grape Seed Polyphenol on immune gene expression and it's Role as Antibacterial against <i>Salmonella typhimurium</i> infection in mice exposed to sodium nitrate<br>Aseel Jasem Mohammad and Nidhal Raof Mahdi  | 27-37   |
| 5    | Effect of farmyard manure, sulphur and humic acid fertilization on Onion productivity.<br>Samar M.A. Doklega  | 38-52   |
| 6    | Synthesis and characterization of 1-(4-methylthiazol-2-yl)-3-propyl thiourea<br>Suhair. M. S. Jambi   | 53-57   |
| 7    | Recurrent Laryngeal Nerve Injury After Thyroid Surgery<br>Dr. Kareem A. Ahmed Alobaidy, Dr. Saleh Mahmood Almafragy   | 58-62   |
| 8    | Evaluating the Impact of Omega-3 Supplementation intake on Creatine Kinase index after one Session of Resistance Training in Inactive Individuals<br>Shahla Hojjat, Alireza Rahimi, Sahar Yadi  | 63-67   |
| 9    | Toxicity of some metal oxides nanoparticles on male rats with respect to biochemical and histological changes<br>A. Derbalah; M. Shenashen; A. Hamza; A. Mohamed and S. El Safty  | 68-75   |

|    |   |         |
|----|---|---------|
| 10 | Assessment of intrinsic physico-chemical fermentation conditions (pH and total titratable acidity) on liberated reducing sugar by bacteria and bacteria-yeast coupled fermentation of selected lignocellulosic biomass to ethanol<br>Oyetunji, O.A., Olajuyigbe, A.B., Mabayoje, S.O., Fadugba, A.E. and Ogunlade, B.O. .A. | 76-88   |
| 11 | Assessment of major Reproductive disorders of dairy cattle in Dessie and Kombolcha towns, South Wollo, North Eastern Ethiopia<br>Ambaw Tigabneh, Selamawit Fantahun, Temesgen Bihonegn and Wale Tesfaye   | 89-96   |
| 12 | Comparative study of qualitative and quantitative analysis of raw <i>pooram</i> and purified <i>pooram</i> (calomel)<br>Rajmohan M S, Swetha R, Sowmiya S   | 97-103  |
| 13 | Species diversity and distribution of butterfly fauna with heterogeneous habitats in Jhansi, India<br>Ashok Kumar   | 104-110 |
| 14 | Nematodes associated with pine trees ( <i>Pinus</i> spp), in the Provincial capitals of Tehran, Markazi and Qom province, Iran<br>Abbas Mohammad Deimi and Nathaniel Mitkowski  | 111-117 |
| 15 | Health Care Seeking Practice of Pregnant Women Attending in a Health Complex of Bangladesh.<br>Shila Rani Das, Chinmay Biswas, A K M Maruf Raza   | 118-124 |
| 16 | Comparison study of the plant communities of El Khukha area of El Hudayda Governorate of the coastal plains of Red Sea and El Najed El Ahmar area of Ibb governorate, Yemen Republic<br>Marei, A . Hamed  | 126-136 |
| 17 | Community Perception Towards Zoonotic Diseases Acquired From Foods Of Animal Origin Among Selected Districts Of Jimma Zone, Ethiopia<br>Mekonnen Addis and Belay Abebe  | 137-142 |
| 18 | Quality examination of chicken meat products marketed in Quetta, Pakistan<br>Babar Khan, Syed Zulfiqar Ali, Sikander Shahzad, Muhammad Basharat, Jaffar Ali, Amjad Ali and Shagufta Fahmid  | 143-153 |
| 19 | Postharvest quality of apple ( <i>Malus domestica Borkh</i> ) as influenced by storage conditions<br>Babar Khan, Syed Zulfiqar Ali, Sikander Shahzad, Muhammad Basharat, Jaffar Ali, Zobia Jabeen, Mohammad Waris and Shagufta Fahmid   | 154-163 |
| 20 | Study on the Prevalence of Ovine Lungworm Infection in Minijar Shenkora Woreda, North Shoa, Ethiopia<br>Temesgen Bihonegn, Derese Bizuwork, Sintayehu Minda, Melkamu Taddese, Wale Tesfaye and Fistum Abrham  | 164-168 |

|    |  |         |
|----|--|---------|
| 21 | Analysis of Total Microbial Count in the Gut of Fresh Water Fish <i>Cyprinus carpio</i> fed with isolated probiotics.<br>K.Parvathi and J. Karthegaa   | 169-172 |
| 22 | Evaluation of <i>In vitro</i> anticoagulant and antimicrobial activities of <i>Gymnema sylvestre</i><br>Mohammed Ashfaaq. M. A, Yogananth, N., Syed Ali, M., and Anuradha, V.  | 173-177 |
| 23 | Nephrotoxicity assessment of the hydroethanolic leaf extract of <i>Ziziphus mauritiana</i> LAM (Rhamnaceae) in mammals.<br>Attemene Dago Serge David, Beourou Sylvain, Zougrou N'guessan Ernest, Kouame Koffi , Djaman Alico Joseph, Kati-Coulibaly Seraphin | 178-190 |
| 24 | Universal and Specific 16S-23Sr RNA PCR Primers for Identification of Phytoplasma associated with sesame in Egypt.<br>Sahar A.Youssef, Yasmin Sayed, Osama S. Hassan, Gehan Safwat and A. A. Shalaby   | 191-200 |
