## CONTENTS

S.No	Articles	Page No
1	Feeding practices of pure-bred dogs in Puducherry Radhakrishnan Raghy, D. Sreekumar, Tamizhkumaran J	1-3
2	Prevalence of bovine Trypanosomosis in three selected Kebele's of Damot Woide district, Southern Ethiopia Tekalign Woldehana Dubale Dumicha	4-11
3	Canine Distemper, A Review Beniam Degene and Moges Zebene	12-19
4	A study on prevalence of small ruminants lung worm infection and associated risk factors in and around Jimma town, Southwestern, Ethiopia Amana Mama and Tadele Gashaw	20-30
5	Assessment of Problems Associated with Artificial Insemination Services in Damot Woide Woreda, Southern Ethiopia Tekalign Woldehana, Amaru Amajo	31-36
6	Effects of biochar and mycorrhizae fungus on the larval developmental cycle of <i>Spodoptera exigua</i> H. (Noctuidea) and protection of <i>Allium cepa</i> L. Plants in farm Zalkohieu Pierre, Madi Ali, Lenzemo Venasius W., Tchobsala, Philipe Kosma	37-45
7	Prevalence of Ovine Lungworm in Demot Woide Woreda. Tekalign Woldehana Uro	46-52
8	Breeding Practices, Flock Structure and Reproductive Performance of Begait Sheep in Ethiopia Amare Berhe, Kefyalew Alemayehu, Zeleke Mekuriaw	53-72
9	Species composition and phytotoxic activity of fungi participating in the formation of mycobiota of tomato plant cultivated in Azerbaijan Allahverdiyev E. ., Asgerli L.Gh., Shirinova G.F.	73-79

10	Socio - Economic profile of Mithun farmers in the Zunheboto district of Nagaland Zuchamo Tongoe, Rimiki Suchiang	80-83
11	Response Of Different Breeds Of Rabbits To Diets Containing Graded Levels Of <i>Moringa oleifera</i> Leaf Meal. Ndofor-Foleng, H. M., Iloghalu, O. G., Egom, M. A, Ikeh, N. E., Onodugo, M.O., Tchoupou Tchoupou E.C Odo, K. O., and Okeke, O. C	84-92
12	Pigment Production From <i>Monascus purpureus</i> MTCC 369 Using Rice Malt Anita Devi , Gunjan Goel, Ashok Chaudhury	93-105
13	Neuroprotective Effect of Bee Venom and Propolis Against Monosodium Glutamate Induced Brain Toxicity in Rats Alyae, M.S. Gabal	106-113
14	Mycological assessment of soil according by the response reaction to the anthropogenic impact Safaraliyeva E. M.	114-118
15	Efficacy of <i>Azadirachta indica</i> and <i>Eucalyptus globulus</i> against <i>Corcyra cephalonica</i> Harminder Singh, Anita Singh and Jora Singh Brar	119-123
16	Influence of phosphorus fertilization levels on productivity of some broad bean cultivars Kandil A.A., A.E. Sharief and A.S.A. Mahmoud	124-131
17	Prevalence of Bovine Fasciolosis and Associated Financial Loss due to Liver Condemnation at Jimma Municipal Abattoir, Jimma, Ethiopia Teketel Ergena	132-139
18	Evaluation of Relaxin as Biomarker for the Assessment Quality of Selected Sperm During Glass Wool and Sephadex Filtration Techniques in Infertile Men Reem Q. M.Wafeeq and Hayder A. L. Mossa	140-146
19	Biotoxicity and determination of leaf polyphenols of <i>Nerium oleander</i> and <i>Eucalyptus</i> <i>camaldulensis</i> on <i>Gambusia affinis</i> in Aïn Chkef river of Morocco. Mariam ESSAFI and Khalid BOURAADA	147-151
20	Genetic analysis of growth trait of West African Dwarf Goat reared in the humid tropical rainforests of Southeastern Nigeria Okafor, P. C., Ndofor-Foleng, H.M, Egom, M.A., Tchoupou Tchoupou E.C., Iloghalu, O.G., Ikeh, N.E., Onodugo, M.O	152-157
