VOLUME: 8, ISSUE: 6 (JUNE - 2021)

## CONTENTS

S.No	Articles	Page No
1	Hemato-biochemical profile of turkey birds selected from Sherpur district of Bangladesh Showkat Hayet, Khaled Mahmud Sujan, Afrina Mustari and Mohammad Alam Miah	1-5
2	Effects of synergist ethacrynic acid (ETAA or EA) on dichlorodiphenyltrichloroethane (DDT) tolerance in <i>Anopheles gambiae s.l.</i> larvae from mono department in south-western Benin, West Africa Nazaire Aizoun	6-13
3	Bioprospecting Potential of Medicinal Plants in Borena and East Shewa Zones of Oromia Region, Ethiopia Girum Faris, Nigussie Seboka	14-22
4	Bio-prospecting Potential of Wild Edible Mushrooms in Eastern Hararghe Zone, Ethiopia Girum Faris, Nigussie Seboka, Guta waktole, Rahel Tilahun	23-30
5	Overview on Quality of Life in Patients with Hypertension Maddu.Sujana, Sava.Lavanya, Nalabolu.Mounika, Naveen.Yaradesi, Padmalatha Kantamaneni	31-36
6	Assessment of prevalence, fertility, viability and economic loss of Bovine Hydatidosis at Addis Ababa Abattoirs Enterprise, Ethiopia. Mesfin Ayenew, Leulseged Aflew, and Asnake Awoke	37-44
7	Purification and Characterization of Pectinase from <i>Aspergillus niger</i> Strain F7-02 Mutant Famotemi, A.C; Kareem, S.O.; Oluwafemi, F.; Adewuyi, S.	45-57
8	Isolation of Biosurfactant Producing Bacteria from Crude Oil Polluted Soil Ayebabogha, M. N., Akujobi, C.O and Braide, W	58-62

9	Assessment of current status, nesting ecology and potential threats of stingless bees in selected districts of East Wollega Zone. Oromia Regional State, Ethiopia Amsalu Arega, Tashoma Guddata	63-72
10	Chemical management of <i>Phalaris minor</i> and <i>Avena sativa</i> exotic weeds in wheat crops Maqbool Shah, Saira Siraj, Muhammad Zahid and Shahid Iqbal	73-78
11	Assessment of Efficiency Of Artificial Insemination In Essera Woreda, Dawuro Zone; South Ethiopia Tekalign Woldehana Uro	79-84
12	A Study on Identification of Peashrub ( <i>Caragana arborescens</i> .Lam) Powdery Mildew Fungi in Green Plantations in the Capital City of Mongolia Tsend ITGEL, Gantumur GANZUL, Janchiv TEMUUIJIN	85-92
13	Study on prevalence and cyst characterization of cystic Echinococcosis (Hydatidosis) in bovine slaughtered at Bishoftu municipal Abattoir, Central Ethiopia Amanuel Ashebo , Mulugeta Sosango, Keefele Yohannes	93-108
14	Prevalence, economic importance of cystic Echinococcosis in cattle at Wolita Soddo, municipal abattoir, Southern Ethiopia. Mishamo Lechamo	109-119
15	A senior research project on assessment of dairy cattle production systems, challenges and opportunities in Abaya Woreda Dechu Jobir Keefele Yohannes	120-132
16	<i>In-Vitro</i> Examination Utilizing the Nested Multiplex PCR for Identification and Speciation of Human Non- <i>falciparum</i> <i>Plasmodium</i> Species in Owerri, Imo State Nigeria Chibundu, N.O., Umeh, S.I., Braide, W.	133-144
17	Effect of Climate change on Crop Genetic Diversity and Productivity Temesgen Begna	145-155
18	The Influence of Sowing Date and Inter-row Spacing on Growth, Yield and Yield Components of Mung Bean ( <i>Vigna radiate</i> L.) in western Oromia, Ethiopia. Teshome Gutu and Alemayehu Dabasa	156-164
19	Role of H2 Histamine Receptor Blockers for Anti-Implantation Activity in Rats. Abha Upadhyay and Deepak Kumar Mittal	165-169
20	On Farm Participatory Evaluation and Demonstration of Processing Crude Honey and Beeswax at Gelana District West Guji Zone Southern Oromia, Ethiopia Weyema Amano	170-174
21	A descriptive study to assess the knowledge and attitude regarding dengue among OPD clients in selected hospitals at Aurangabad, with view to develop an information booklet. Mr. Chetan A. Biradar, Mr. Ravikumar Goted, Mr. Siddivinayak Sudke, Mr. Deepak Rathod	175-185

22	Bacterial Flora of Nile Tilapia of Pond Fish and Their Relationship with Predisposing Factors Nebyu Kassa, Marshet Adugna Mitiku	186-197
23	Nine species of <i>Riccia</i> (Mich.) L., additions to Bryoflora of South India Ananthaneni Sreenath and Boyina Ravi Prasad Rao	198-205
24	Study prevalence of hard tick infestation at South Western Kafa Zone Cheta Woreda Dechu Jobir, Mulatu Gure	206-223
25	Serological, molecular and phylogenetic analysis of <i>Rice Yellow Mottle Virus</i> (RYMV) isolates collected in Southern-Benin Issaka Souley, Bachabi Louisiane, Naroua Illiassou, Basso Adamou, Souley Mariama Abdoulaye M., Sere Yacouba	224-236
26	Some medicinal plants used for the treatment of thyroid disease in rural area of district Ambedkar Nagar, Uttar Pradesh, India Tej Prakash	237-243
27	Effect of age on the production performance of commercial broilers Jogeswar, P., Venugopal, S., Ponnuvel, P. and Sreekumar, D.	244-247
