## CONTENTS

S.No	Articles	Page No
1	Phytochemical Profiling of <i>Phaseolus vulgaris</i> Linn. Using HR-LCMS: Identification of Bioactive Compounds with Diverse Therapeutic Potential Amrin Mulani, Madhavi Badole, Parth Trivedi, Jyoti Patil	1-10
2	The effects of heavy metals inhibitory activity on microbial enzymes assay in polluted soil Mike-Anosike, E. E., Oyobolo, M.O., Kalu, U. C and Braide, W	11-22
3	A Comprehensive Review of Applications and Advancements in Rapid Diagnostic Technologies: Shaping the Future of Microbiological Detection Ashwini M. Bhurre, Pratibha Dawande, Mrunali S. Tarale and N.B. Hirulkar	23-34
4	Study of phytohormones effect on micropropagation and callus induction in <i>Rauwolfia serpentina</i> Anurag Jain, Geeta Chaudhary, Pawan Kumar Katariya	35-43
5	Antifeeding and repellent effect of plant extract <i>Salvia officinalis</i> against <i>Tribolium castaneum</i> (Herbst) (Coleoptera:Tenebrionidae) Medona, L., Dharani, P., Krishnappa K., K. Elumalai	45-50
6	Comprehensive Review on the Role of Microbial Phosphate Solubilization in Citrus crops N.B. Hirulkar and D. M. Ridhorkar	51-60
7	Prevalence of <i>Taenia ovis</i> and <i>Taenia hydatigena</i> Cysticercosis in Goat in Abeche Slaughterhouse in Chad Ahmota Romain Daïba, Issa Youssouf Adoum, Mahamat Hassan Abdel-Aziz, Abdel-Madjid Adoum, John Maina Kagira	61-71
8	Epidemiology and public health significance of rift valley fever: A review Begidu Tesfaye Mune and Tariku Geinoro Alleyo	72-86
9	Acute Toxicity and 28 days repeated Oral Toxicity Study of Nilappanai Kizhangu Chooranam in Wistar Albino Rats Sudharsan. S, Renuka Devi. S	87-96
